Demonstration: Demonstrate using trial 1 of Level A and trial 1 of Level B.

Discontinue Rule: Discontinue any item after 15 minutes or 50 blocks driven.

Attempt: each time a participant clicks on "go" to build a cookie.

Timing: Since some participants will pause to think before moving the van, trainers should say something like "Go ahead" or "Give it a try" to signal the start of a trial and start timing at that point.

*Participants should not be encouraged to use the "Undo" button but if they do, each use should be counted as 1 block driven.
